

## Update from CLDS

We have had to change the way we work since March 2020

This is because of **Covid** which can make some people very ill if they catch it

The Government says we must do everything we can to **stop the virus spreading** and to keep people safe

This means we have stopped seeing some people face to face

We need to do as much work as we can by **phone** or **video call**

The Day Service at the **Greenwood Centre** has re-opened for some people who live with their family

Greenwood staff will keep in touch with other people to check they are OK

If you want to know more about this, you can speak to the **CLDS First Contact** team

Their phone number is **020 79 74 37 37**
