

Coronavirus update from CLDS

We are changing the way we work for the next few weeks

This is because of the **coronavirus** which can make some people very ill if they catch it

The Government says we must do everything we can to **stop the virus spreading** and to keep people safe

This means we need to stop seeing some people face to face

We need to do as much work as we can by **phone** or **video call**

Some support workers may become ill and not be able to work

The means we may need to make changes to people's support

The Day Service at **Greenwood** has had to close for a few weeks

Greenwood staff will keep in touch with people to check they are OK

If you want to know more about this, you can speak to the **CLDS First Contact** team

Their phone number is **020 79 74 37 37**
