From October 2022 to March 2023, we can:

- Connect you to organisations who will help keep your home warm and safe, provide benefits and housing advice, and keep your bills low.
- Help you to access health services, information on where to get a flu jab and advice on coronavirus.
- Introduce you to local groups/activities.
- Connect you with organisations to help with practical tasks.
- Arrange small grants and warm items for people in hard circumstances.
